

**Statewide Implementation of Early Psychosis Care in California:
Increasing Access to High Quality Care for all Californians**

Location: UCDCM, Sacramento, CA

Date: Tuesday November 19, 2019

Time: 9:00-5:30

Goal: Determine how to make high quality EP care available to all Californians. Bring together stakeholders from state, county, and EP program leadership, commercial insurance companies, as well as clients and families to inform how the MHSOAC will use the \$20 million allocation from Governor's office for EP care.
